

ANNUAL VIPS VOLUNTEER APPRECIATION DINNER SPONSORSHIP OPPORTUNITY

The **VOLUNTEER APPRECIATION DINNER** is the time of year that Falmouth VIPS celebrates the accomplishments of our 1,000 volunteers and community partners. At the dinner, we honor volunteers from the district's seven schools for contribution above and beyond the high bar that volunteers have set for themselves. We also present scholarships to two students whose volunteerism as high school students has made a difference to school and community causes.

About VIPS:

The mission of Falmouth VIPS is to enrich students' lives through programs and services that link the public schools to the Falmouth Community. Since 1982, VIPS has grown from eight volunteers at Falmouth High School to nearly 1,000 volunteers in all seven schools with over 40,000 volunteer hours logged each year! On any given day in any given school, VIPS is making an impact through its student programming and volunteer support services.

Why Sponsor?

VIPS is a non-profit organization that relies on the generosity of benefactors to support our programs and services. The Volunteer Appreciation Dinner is one of the most important events we host each year with attendees who also include district administration, town officials, community partners and benefactors. A sponsorship is an excellent way to show your support and appreciation for the volunteers who make a difference in students' lives and our community. Sponsorship opportunities are listed on the back. We thank you for your consideration.
